

The 2015 OA Section C6A Conclave was hosted by Jaccos Towne Lodge at beautiful Camp Belzer. During the weekend, Arrowmen attended training sessions for youth and adults, which included a Lodge Simulation training to help them learn the various positions in a lodge and meeting management. Special events included both a silent and live auctions, as well as a VIA lunch for the new ordeal members. Then the fun began with the Arrowmen participating in a number of fun activities which included Lodge Ball (teams competed in a game of dodge ball), Pit-O-Doom (a Quarterstaff was used to “battle” your competitor), Obstacle Course (run between, crawl through and jump over various obstacles) and Arrowmen Idol (Karaoke contest). There was also the Tomahawk Throw. Make-and-Take (beading), Native American dance and ceremony competition.

Takachsin Lodge had 21 members have an amazing time at this year’s Conclave. Congratulations to our 2015 Bear Scholars, Dakota Harris and Riley Stone. Also, Congratulations to Takachsin Lodge Centurion Award recipients Don Harper, George Nelson, Lucas Bowman, Matthew Bowman and Kenny Helder who were recognized at Conclave.

It was a wonderful event with a lot of fun, food and fellowship. A great opportunity to play games with other Arrowmen and make lifelong connections! We are excited to start planning for next year’s event!
